SHORT SYNOPSIS

Off the beaten track and at the bottom of the heap, for Divot the only is up. When fresh prey strays into their territory the hunt is on, but will it be the strongest, the oldest — or the smartest — that triumphs? As others stick to old methods and brute force, Divot applies fresh thinking — and a bit of recycling — to the problem. When his trap is sprung, Divot wins the respect of the tribe and brings home the prize: Chogar!
