We receive a number of applications that are submitted in English but have significant Māori content in the scripts or proposals. We have not included these in the scope of your request. Should you wish to access this information or other information regarding te reo Māori, we would be happy to speak further with you to understand your request better. Feel free to email our Rautaki Māori team at rautaki@nzfilm.co.nz

Please note that we will be publishing this letter (with your personal information removed) on the NZFC website.

You have the right, by way of complaint to an Ombudsman under section 28(3) of the Official Information Act, to seek an investigation and review of our response.

Yours sincerely
