NZFC Deliverables

Effective 4th August 2025

The following list are the items you need to include in your budget when applying to NZFC Production and Post-Production Funding. These items will need to be delivered according to the following timing:

A. By NZFC Delivery Date:

- 1. An inventory from the laboratory or post-production facility where all master materials are held.
- 2. Confirmation that all final digital intermediate data, final audio print masters, stems are stored for no less than 5 years on LTO tape (or other medium by agreement) held at a laboratory or post-production facility, and that an access letter is in place in respect of the LTO tape. You will need to advise the NZFC if you move your LTO tape archive to another location.
- 3. Delivered to the NZFC on hard drive and/or digitally (with folders and files clearly labelled) no later than the NZFC Delivery Date :
 - (a) 1 x HD Apple Pro Res 4.2.2 HQ of the **feature film**, to be delivered in the original aspect ratio 10 bit with 5.1 audio; with its quality control report;
 - (b) 1 x HD Apple Pro Res 4.2.2 HQ of the **feature film** to be delivered in the original aspect ratio 10 bit with 5.1 audio and with burnt-in, full, English subtitles;
 - (c) 1 x H.264 HD QT original aspect of the feature film with stereo audio;
 - (d) access to a master DCP, unencrypted or encrypted. If encrypted, please advise the laboratory or post-production facility that can generate a KDM when required;
 - (e) For Scripted: final shooting script;
 - (f) English subtitle file;
 - (g) export script and the digital file with burnt in TCIP used in the creation of the export script;
 - (h) music cue sheet;
 - (i) key stills: at least **10** x high-res TIFFs and **10** x low res JPEG files (captioned with titles and character names). Please advise us of your top **5** publicity stills from those supplied;

- (j) still image of director (head shot): 1 x high res TIFFs, 1 x low res JPEG file. Preferably colour;
- (k) stills: at least **10** x TIFFs and **10** x low res JPEG files of Behind-the-scenes stills with captions including crew name, scene or location description;
- (I) press kit as a PDF and as a word DOC;
- (m) "EPK" Pro res & H264 Quicktime of any additional audio-visual material such as: selected scenes, behind the scenes, outtake clips, b-roll and interviews with key cast/crew, including for each clip an id/description of the content;
- (n) statement of precise theatrical running time, original aspect ratio, producer, director, core cast members, company copyright, production company, and camera information;
- (o) billing block: final billing blocks (word doc) used for poster, video packaging, paid advertising, sales materials and trailers approved by all parties as well as any logos that the producer requires to be included; and
- (p) main titles and end credits (word DOC) list of the main titles and end credits of the film, set out exactly as they appear on screen.

B. When available and no later than the date on which the Film is released in ROW or ANZ, whichever comes first:

- (a) hard copy posters x 4 of each version;
- (b) key art: poster high res, layered poster artwork, contracted logos, title treatment including any fonts and design guideline notes that might be required;
- (c) 1 x HD Apple Pro Res 4.2.2 HQ of the **trailer** to be delivered in the original aspect ratio 10 bit with 5.1 audio;
- (d) 1 x H.264 HD QT original aspect of the trailer with stereo audio;
- (e) key promotion and social media assets artwork i.e. flyers, Facebook banners, clips etc;
- (f) an insurance certificate and, if requested by us, the related policy terms as evidence that Errors and Omissions Insurance is in place and that it matches the term, coverage amounts, deductibles and other requirements set out in the Errors and Omissions Insurance Requirements (as defined in the interparty or production financing agreement for the film) and the insurance requirements in the NZFC Terms of Trade; and
- (g) When closed caption files are required, they must be in sync with final delivered video masters.
