Meet the New Zealand Screen Production 5% Uplift Rebate (NZSPR), with our services backed by science.

FOR NEW ZEALAND PRODUCTIONS

We're here to lead and guide positive change. With over two decades of experience helping organisations achieve credible environmental certification.

100% owned by the New Zealand government.

Two distinct levels of GHG verification:

- + Comprehensive assurance-based verification to ISO 14064-3.
- + Verification based on 'agreed-upon procedures' to meet the minimum emissions reporting requirements.
