Year of first release is determined by the first day of release anywhere in the world.  
 The producer list is the credited producers. It does not include executive producer or co-producer.  
 The list of key creatives is produced from a variety of sources - NZFC website (press kit), NZ international film festival website, NZ on Screen, Flicks, IMDB, NZFC Odoos  
 The gender calculations reflect the gender of writers, directors, and producers credited to the films in this list. It will include duplicate names eg, Fran Walsh will be counted for each of the three Hobbit films
