

NZ Feature films by financial year 1 July to 30 June About this table

The titles on this list have been verified as NZ feature films of 70 minutes or longer duration, with at least 50% of production undertaken in NZ, at least one NZ key creative, and meeting one or more of the following criteria:

- has received a recognised NZ theatrical release or a paid screening in a NZ public film festival and/or is available on a SVOD or TVOD platform (eg, Netflix, Lightbox, Amazon Prime, iTunes), or;
- is an official co-production

Year of first release is determined by the first day of release anywhere in the world.

The producer list is the credited producers. It does not include executive producer or co-producer.

The list of key creatives is produced from a variety of sources - NZFC website (press kit), NZ international film festival website, NZ on Screen, Flicks, IMDB, NZFC Odoo
